

## Jim Kirby Cup-14 Point Association Handicap

### 2011 result

Played at Moira on Saturday 11th June, on a pleasant day with just one shower of rain. Lawns were tricky following the spring drought causing some patchy turf. Sadly only 5 players competed for the honour of winning the Jim Kirby Cup, the East Midlands Federation 14 point handicap tournament. Even sadder was the fact that all 5 players are members of Ashby CC, so hardly representative of the Federation. Mick Haytack remained unbeaten by beating Derek Buxton in their final round game. He wins the cup for the second year in succession. Derek Buxton was once again runner-up
