

## **B-level Golf at Nottingham**

The Sixth Annual B Level Golf Croquet Tournament for the Treasurer's Bowl was held at Nottingham on Wednesday 18th July. This event is becoming more popular each year since it was first won by William Gee in 2007: this year there were 20 entries from as far afield as Yorkshire and Surrey. In spite of the dire weather forecast we had a lovely day - but within half an hour of finishing black clouds arrived and soon there was a layer of hailstones on the lawns!

In the morning each competitor played three games in all-play-all blocks to determine which eight should progress to the knockout finals in the afternoon. In the final (played before an appreciative crowd making the most of a great spread of cakes for tea) Terrey Sparks from Norfolk managed to beat Roger Stroud from Bedfordshire 7-6. The third place play-off was won by Maggie Cowman from the Ripon Spa Club.

This is a CA event for players with handicaps in the range 4 to 8, and is run by Nottingham Club. Members of Federation Clubs are welcome to enter next year.
